### Clear Brook High School Players 2022-2023 Season Sponsorship Opportunities

When you partner with the CB Players, you are showing your commitment to support and promote the arts and young artists in our community.

Each year, the CB Players present two full length shows and two one act plays completely produced by our students. In addition, we produce a quarterly improv show and provide opportunities for youth through quarterly intermediate student workshops and elementary camps. Finally, our students compete at Texas Thespians, International Thespian Festival and UIL One Act Play competitions.

Your support allows us to provide opportunities for **all** students regardless of financial situation, family support or other limitations.
